

IN THE SPECIFICATION

Please replace the paragraph on page 7 beginning at line 23 and ending at line 28 with the following:

The upper construction 14 can additionally include receiving devices 18 which are suitable for receiving the corresponding surface portions 12 and which hold them stationarily in their position in the upper construction. The receiving devices 18 are of a configuration which is tray-like or approximately rectangular in cross-section in order laterally to delimit the surface portions 12.
